Cuang Chin-Tung, was the first to seize upon and adopt this idea. When officiating as Viceroy of the Two Kwang hesaw how the Cautonese appreciated the usefulness of the token coins issued from Hongkong, and imported machinery and set up a Mint at Canton from which a hage supply of subsidiary coins has since regularly flowed, furnishing the wants not only of the shall soon have trouble again along the Yangisze for the very simple reason that the previous as applicable as otherwise and the details of a scheme to this end have been flowed, furnishing the wants not only of the shall soon have trouble again along the Yangisze for the very simple reason that the policy has market has been slow to move in response to the oily would be last in derkusses to more we placed before the House. Two Kwang but also flooding Hongkong with pieces of a somewhat inferior intrinsic value to those issued by the Colonial Government. The project was started simply to make profit, to create a natural causes, and a verdict to that effect was collect was to make arrange Echo. -- Echo. source of revenue for the provincial government, and compete with the Hongkong issue. The good of the people, the promotion of trade, the convenience to business, 22,000 shared, and be is confident the shares will. A confederate, or an acconacions instrument -it Had this been the case, the new Mint would have been utilised for the issue of a Chinesa dollar. But no; there would be no profit Japanese dollars with a Chinese chop which are that on a Chinese chop which are the chinese chop which are the chinese chop which are that on a Chinese chop which are the chinese chop which on the coinage of a dollar of equal weight semetimes received from China are not legal given a certificate stating his name, residence, has yielded an even more speciment was inchested to day at the Coinage of Sample bottles and smaller quantities will be and fineness to the Mexican dollar or the We only gourantee our Wines and Spirita to Japanese yen; and bence the idea was them in payment for goods. promptly dismissed, if ever entertained. The Canton Mint having proved a profitable speculation, it was not long before other provincial magnates borrowed the idea: A Mint was next started in Formosa, and now, we learn, one is to be established at Nanking by the Viceroy of the Liang King. The site has been selected at Kianning, the necessary machinery ordered, and a superintendent appointed. It is not stated whether the Liang Kiang Mint will confine its operations to the issue of cash and subsidiary silver coins, but this is probably the of iron and wood, nearly 20 years ago, at St. for the privilege of avaiding all the regulations intention; the dollar would yield no profit. Hongkong, let January, 1894. NOW ON SALE. TMPERIAL QUARTO: INGLISH AND CHINES!

DICTIONARY WITH THE PUST AND MANDARIS An Anglo-Chinese Dictionary, published at the Daily Press, Office, Hongkong. For comprehensiveness and practical service this Work stan is unrivalled. All the new words which the Chinesa have of latey sare been compelled to coin to express the numerous objects in machinery, photography, telegraphy, and in science generally, which the rapid advance of foreign relations has imposed upon them, are here given in exicuse. Each and every word is fully illustrated and explained, forming exercises for students of a most instructive nature. Both the Court and Punti pronunciations are given the accents being carefully marked on the best the accents being carefully marked on the best tains every year more pages. The principle hitherto attained. The typography I was years age universally presourced to be displays the success of an attempt to make the the chaspest work of the kind answers published. Chipese and English type correspond in the size and although unlarged and improved in avery of hody, thereby effecting a vast economy of way the price remains the same, notwithstanding space, achieving a clearness not previously the fall it exchange. attained and dispensing with those vast margins and vacant spaces which have heretofore charge. Many and Plans, pp. 1154, 85. Directory only terized Chinese publications.

To illustrate the vast scope of the work the following facts are submitted for consideration .--Chalmers Vocabulary contains about 16.000 and can be had from, and Advertisoments sop Chinese characters, and Medhurst's English through and Chinese Dictionary about 100,000, whilst Loxdon..... this work contains more than 50,000 English London Mesers John Haddon & Co student of this difficult language absolutely requires examples to display the various applications and equivalents of different words which have one general meaning. Of these aramples New York...Mr.T.R.Browns, Si35.Canal St. to Post on 18th April, 1894.

This work contains more than five times as San Franco. Mr.L.P. Disher, 21. Merchants | Elbert, Norwigian St., 451. Irgent, Apr. 16. many as any other Dictionary hitherto pub-

For practical purposes the arrangement of Mathematic Messes Gordon & Gotob to communicate affectively with natives who Colonia Colonia Messes & Messes & Messes & Messes & Messes & Messes & Colonia & Gotob & Colonia & Messes & Me understand nothing but Chinese. In this respect the work will be found indispensable to all Europeans residing in China, and to the natives themselves it explains subjects fully with which very few indeed of them are perfectly sequeinted.
To parties resident in England and interested in China it cannot but be invaluable comsion. Macao It comprises upwards of two thousand large
